ADMINISTRATION

RAYMOND N. BAKER
Superintendent

We, the graduating class of 1950, wish to extend our sincere thanks to Mr. Baker, our superintendent. Not often does a group have the opportunity to acknowledge the fine and constructive things accomplished by another. From the Seniors—a fond farewell, Mr. Baker; may your future years be equally successful.

We, the Seniors, wish to express with gratitude and appreciation our thanks to our principal, Mr. Crowell, for his untiring efforts, cooperation and helpful advice. He has accomplished much towards improving our school's standards. May your interest in Avondale High School continue.

OFFICE STAFF

MRS. BAKER

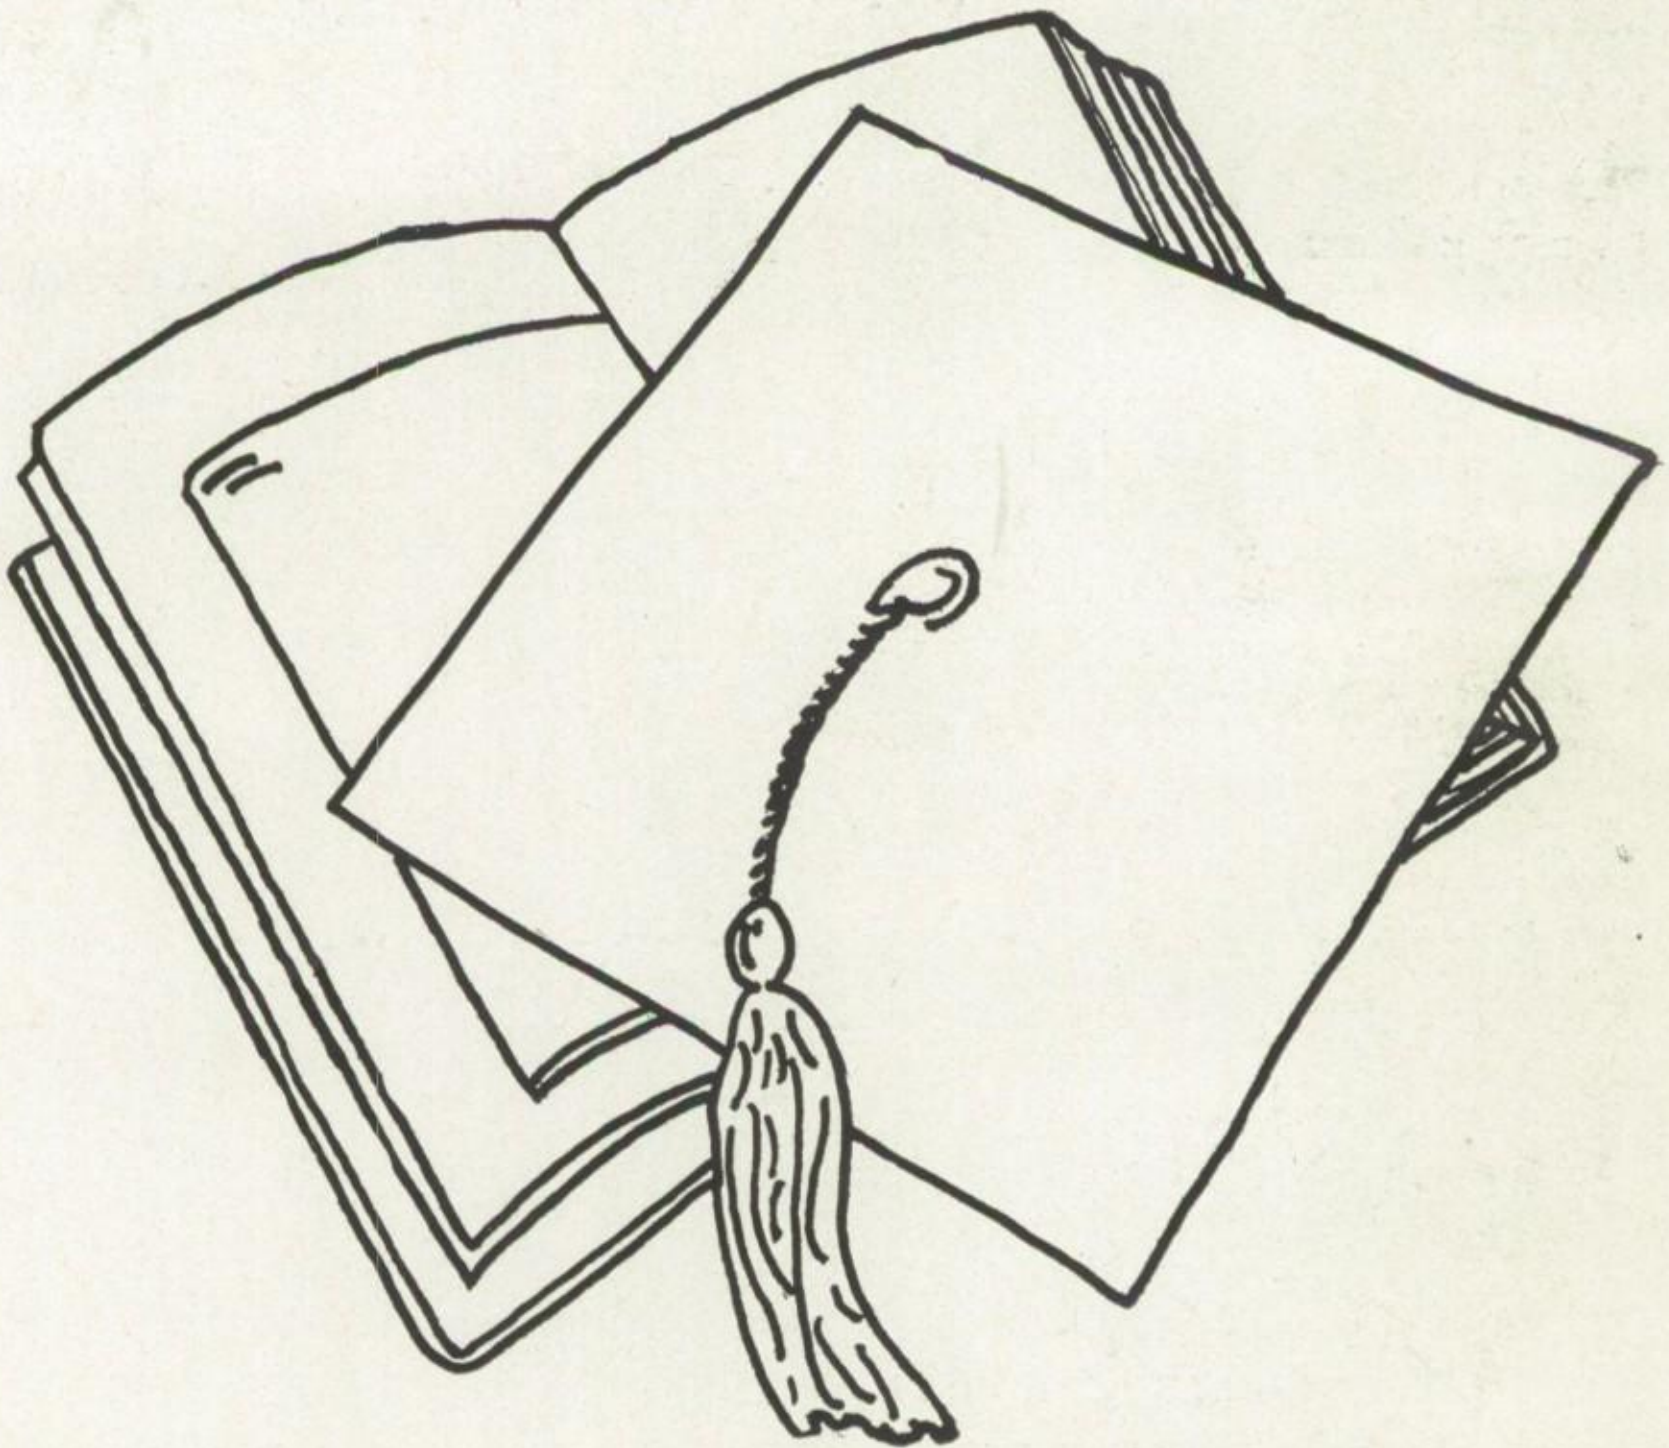

MISS IRWIN

The Senior Class wishes to express their appreciation to both Mrs. Baker and Miss Irwin for their efficient work and help throughout our four years of high school. A day wouldn't have seemed complete if we hadn't gone to either one office or the other for assistance, which they gave so willingly and graciously.

We sincerely hope that they will continue to be at Avondale to help other students as they have so gratefully helped us.
